*The Group's strategy is to strengthen its role through a direct presence in the major capitals and provinces*

Cuneo, 20 April – Gabetti **will inaugurate its new office in Savigliano, province of Cuneo and in the Piedmont region, on Thursday 21 April**. The investment is part of the Group's growth plan, which has always focused on a greater local presence, through development of existing offices or opening of new ones, in line with the full service provider model.

The inauguration is scheduled for 5:00 pm at Piazza Schiaparelli 10, with the participation of **Roberto Busso**, CEO of the Gabetti Group, **Marco Speretta**, General Manager, **Alessandro Lombardo**, Commercial Officer, **Micaela Musso**, General Manager of Abaco Team, **Federico Zardi**, Relationship Manager Piedmont and **Giuseppe Bonelli**, Deputy Relationship Manager of the new office in Savigliano and **Paolo Buffa**, strategic advisor of the Group.

The new office handles integrated technical services (insurance appraisals, energy certifications and audits, etc.), engineering services (design, works supervision, safety, certifications, etc.) within the area of redevelopment, all brokerage activities in the residential segment (luxury, construction sites and fractioning), office, retail, capital markets, portfolio management and valuation and advisory activities, such as feasibility studies.

*"After opening the Turin office several years ago, Cuneo is another important step in our growth project. - declared **Roberto Busso, CEO of Gabetti** - Real estate trends are a bit weak in the Cuneo area, and that is why we believe it is important to establish ourselves as a real estate reference point for companies and businesses in the area. We already work with several banking institutions, loan services and various companies in the local business fabric: we aim to become their partner for the best strategic choice with underlying real estate, thus supporting growth of the sector".*

Cuneo is the latest addition to the territorial network offices, namely the provincial ones, already operational in Piacenza, Cremona, Como, Lecco and Trieste, with upcoming openings in Livorno and Palermo.
